This photo-identification catalog was compiled as a joint research effort between the Outer Banks Center for Dolphin Research and the Nags Head Dolphin Watch. All dorsal fin photographs taken through the Outer Banks Center for Dolphin Research were taken under permits # LOC-13416 and #LOC-17988. The Outer Banks Center for Dolphin Research is a 501 c(3) non-profit organization dedicated to the conservation of bottlenose dolphins in the Outer Banks through research and education. For more information, see obxdolphins.org.
